

The Corral Drive-In RV Park, Parts & Service

**PLEASE TURN WATER OFF AND
DISCONNECT HOSE TO AVOID
FREEZING...**

when temperature is 35° or below.

RULES:

Keep your speed UNDER 10 mph, when driving in the park.

Humans, we try to be organic, but please, DO NOT let your pet fertilize or water our flower beds or other sites, pick up after your pet. Pets, make sure your human is on the other end of your leash and don't let 'em wander off without it, keep an eye on them at all times. Humans, no tying your pet to our water hydrant or trees. No sneaking them in the bathrooms for a makeover and don't let them take baths in the laundry room sink.

No fire is allowed at the sites; the only kind of fire allowed is for cooking. That'd be the BBQ grill.

We are not a pig sty, and neither is your site; put ALL trash in the dumpster (bagged). DO NOT leave at site.

Keep your site neat and orderly. We don't want to see your underwear hanging outside and neither do other people - we have dryers for that..

The following WILL NOT be tolerated: vibrating music, drunkenness, loud or obnoxious behavior (keep it inside), obscene or crude gestures (keep your hands, fingers, elbows and feet to yourself) or you will be asked to leave without getting any money back.

Unless there is a fire and you're using your alcohol to put it out, there's no smoking, pets or alcoholic drinks allowed in the bathrooms, laundry room, or the office/store.

You have to keep quiet from 9:00 at night until 7:00 in the morning.

You can come in and hook up anytime between 1:00PM-10:59AM, after you pay of course, but you gotta be out by 11:00AM in the morning when your credit with us runs out.

OF COURSE!! Your babies of all ages are more than welcome. However, we might give 'em coffee & chocolates, then send 'em back to you, if you don't keep an eye on 'em (that goes for both, pets and humans).

**Thanks. Call us if you need us.
806-339-2781 or 806-339-2782.**
