Hi, my name is Alka Lammes. My husband, Eric, and I would like to welcome you to try our **Corral Pizzeria and Grill**. We are quickly becoming known for our homemade dough, the unique flavor of our pizza sauce, and lots of fresh vegetables.

Our dough is made from fresh ingredients and no egg products are used. We roll out the crust when it's ordered - never frozen - so you can enjoy the taste of a fresh-baked crust. We offer two sizes, 12" and 16". Our Calzone is made from the same homemade dough, using whole ricotta cheese.

Our sauce starts with a thick tomato base and then we add our own spices to bring you the unique flavor that will make you want to keep coming back for more.

Our Grill offers many other items as well: the Philly Cheese Steak is sure to become one of your favorites - make it a wrap or enjoy it on a 6" bun. Make it a combo, and we'll even bring it to your door!

Be bold and think outside the crust. Our *Loaded Baked Potato Pizza* starts with a sour cream base, then we add slices of potato, cooked bacon, green onions, and generously top it with mild cheddar cheese. That's only the beginning of our specialty pizzas!

Catering is also available. Call me for details (806-339-2781).

Got a craving you can't put your finger on? Give us a call; we can make it happen!
